**RE: Drug & Alcohol Testing Certification of Compliance**

JIM BUCHHEISTER  
CROSS-CHECK AVIATION (FAA)  
9565 Prototype Ct.  
Suite 102  
Reno, NV 89521

The safety sensitive employees, for the period indicated below, are hereinafter referred to as a "consortium member." These are members of the Drug Test Network Consortium, per the United States Department of Transportation (DOT), FAA.

Period of Coverage 05-16-2018 - 05-17-2019

Consortium members have been placed into a computerized "random selection generator." Periodic drawings from this generator will result in names of consortium members being randomly selected for drug and alcohol testing.

At least 25% of the consortium will be selected each calendar year for controlled substance abuse urine testing.

At least 10% of the consortium will be selected each calendar year for controlled alcohol breath testing.

Consortium members who are selected for testing are responsible for reporting immediately for testing. Failure to test, or failure to complete a test in a timely fashion, per DOT regulations, will be deemed a "refusal to test."

All test results will be available to employing agency. All positive tests will be forwarded to the employing agency.

We remain available to answer your questions or assist you in solving problems as they may arise.
