

CROSS-CHECK AVIATION

9565 Prototype Court
Reno, NV 89521

PARTS AND SERVICE WARRANTIES

Overhaul: Twelve (12) months*

Repair: Six(6) months*

Bench Check: Products strictly tested by Cross-Check Aviation are certified to be within manufacturer tolerance at the time of testing and carry no implied warranty.

*Products repaired and overhauled by Cross-Check Aviation are warrantied against defects in material and workmanship for the time period listed above by service provided. This warranty applies to the specific repairs provided and parts replaced at the time of service.

This warranty is not applicable to any product that has failed due to abuse, misuse, improper installation, excessive voltage, or alterations. The warranty may also be voided if Cross-Check Aviation determines the product has been tampered with, i.e. missing or broken warranty seals or missing or replaced tamperproof fastener applications.

Cross-Check Aviation shall not be liable for any indirect, consequential, special, punitive, or incidental damages incurred and assumes no responsibility or liability for expenses incurred in the installation or removal of its warrantied products.

Warranty Service

Return warrantied components to:

Cross-Check Aviation
9565 Prototype Ct.
Reno, NV 89521

Please include a repair order with a detailed description of the malfunction. No RMA number is required.

Valid Warranties

Defects found to be the fault of Cross-Check Aviation will be repaired free of charge. Cross-Check Aviation will cover all shipping charges. A new Warranty Period will begin on the date the new Airworthiness Certificate is issued for the original service requested.

Invalid Warranties

Components found to have failed due to material or workmanship unrelated to Cross-Check Aviation's service will be repaired at normal cost†. A new Warranty Period will begin on the date the new Airworthiness Certificate is issued for the original service requested.

†Repair of Minor Unrelated Failures Occurring Within the Warranty Period

At Cross-Check Aviation's discretion, it may waive labor cost or offer a discount rate for the repair of minor failures unrelated to the service provided.
